SCAN ME

There's a health benefits program available for individuals like you, not found on your state's ACA marketplace. Independent contractors and sole proprietors welcome!

This private program offers comprehensive coverage and could help you save 20-40% compared to ACA plans in your state's marketplace. It takes only minutes to apply and see if you might qualify!

How OneHealth is Unique

National PPO network available with more than 1.3 million healthcare providers

Service matters, so does our proactive dedicated claims support for large claims

Available in all 50 States

Plans are owned by a single individual, but still offered on a group basis and rate.

Our plans typically deliver 20-40% savings compared to ACA marketplace options.

Applying typically takes 3-5 minutes, with dedicated enrollment support available.

The same level & depth of coverage one would see in a Fortune 500 Company.

8 deductible options to choose from to support different budgets.
